

Financial Aid Verification Worksheet
Dependent Student

Your 2024-2025 Free Application for Federal Student Aid (FAFSA) was selected by the U.S. Department of Education for review in a process called verification. The Financial Aid Office must compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, the Financial Aid Office could require additional documentation and your FAFSA information may need to be corrected. You will not receive federal or state financial aid until all verification requirements are met and the necessary corrections made. We may ask for additional information. If you have questions about verification, email us at fao@jssc.edu or call 731-425-2605.
