ANNUAL SECURITY REPORT

SEPTEMBER 2012

Section I

Introduction and Reporting Requirements

INTRODUCTION

The faculty and staff of Jackson State Community College welcome you to campus. The basic mission of the Campus Security Department is to provide diligent security patrol services in order to prevent accidents, eliminate fire and safety hazards, deter crime, provide for the safe removal and disposal of unsafe equipment and material, and correct any other unsafe conditions that are found. Truly safe campuses can only be achieved through the cooperation of the community, faculty, staff and students. This report is part of our effort to ensure that endeavor is effective.

To request a copy of the Campus Police Annual Crime Information and Fire Safety Report, please contact the Director of Environmental Health & Safety:

CLERY ACT REQUIREMENTS

The College and University Security and Information Act, as enacted by the State of Tennessee and in conjunction with federal legislation, requires that each college make available certain information within the college's community relative to safety and security matters. Jackson State Community College is providing the information contained herein to assure that the college's community, students, faculty and staff are appropriately advised and informed relative to college security and safety procedures and applicable crime statistics

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, more commonly known as the Clery Act, require colleges and universities to:

- Publish an annual report every year by October 1 that contains three years of campus crime and fire safety statistics and certain campus security policy statements
- Disclose crime statistics for the campus, public areas immediately adjacent to or contiguous with the campus, and certain non-campus facilities. The statistics must be gathered from campus police and local law enforcement and other college officials who have "significant responsibility for student and campus activities"
- Provide "timely warning" notices of those crimes that have occurred which pose an ongoing "threat to students and employees"
- Implement emergency notification procedures if there is an immediate threat to the health or safety of students or employees on campus
- Disclose in a public log "any crime that occurred on campus or within the patrol jurisdiction of the campus security department and is reported to the campus security department;"

CAMPUS SECURITY AUTHORITIES

Campus security authorities (CSA's) as defined by the U. S. Department of Education, have been selected by the President of the college. A CSA is an individual who has significant responsibility for student and campus activities. The function of a CSA is to report to the official or office designated by the institution to collect crime report information, such as the campus police department, those allegations of Clery Act crimes that he or she concludes were made in good faith with a reasonable basis for believing that the information is not simply rumor or hearsay. Under Clery, a crime is "reported" when it is brought to the attention of a CSA or local law enforcement personnel by a victim, witness, other third party, or even the offender. A CSA should immediately report any information received relative to a crime to the campus police department.

Crimes under the Clery Act that should be reported are:

- Murder and non-negligent manslaughter
- Negligent manslaughter
- Forcible sex offenses
- Non-forcible sex offenses
- Robbery
- Aggravated assault
- Motor vehicle theft
- Arson
- All hate crimes involving bodily injury
- All liquor, drug or weapons law violations resulting in arrest

CSA's for each campus location are designated in table below.

The most immediate dissemination of the warning will be issued via the campus Emergency Notification System. In the interest of the JSCC Campus Community, a text-message alert notification system (JSCC ALERT) and computer screen notification (Alertus) will be used to alert the campus community of a crisis or emergency situation. Also, an emergency notification speaker (ENS) system has been placed in each building on the Jackson campus to assist the Director of Environmental Health & Safety in the notification process.

In addition, Jackson State’s JWEB as well as social networking sites such as Twitter and Facebook, among others, may be utilized to disseminate information. Anyone with information warranting a timely warning should report the circumstances to the campus security officer
