ANNUAL SECURITY REPORT

October 2013

INTRODUCTION

The faculty and staff of Jackson State Community College welcome you to campus. The basic mission of the Campus Security Department is to provide diligent security patrol services in order to prevent accidents, eliminate fire and safety hazards, deter crime, provide for the safe removal and disposal of unsafe equipment and material, and correct any other unsafe conditions that are found. Truly safe campuses can only be achieved through the cooperation of the community, faculty, staff and students. This report is part of our effort to ensure that endeavor is effective.

To request a copy of the Campus Police Annual Crime Information and Fire Safety Report, please contact the Director of Environmental Health & Safety:

CLERY ACT REQUIREMENTS

The College and University Security and Information Act, as enacted by the State of Tennessee and in conjunction with federal legislation, requires that each college make available certain information within the college's community relative to safety and security matters. Jackson State Community College is providing the information contained herein to assure that the college's community, students, faculty and staff are appropriately advised and informed relative to college security and safety procedures and applicable crime statistics

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, more commonly known as the Clery Act, require colleges and universities to:

☐ Publish an annual report every year by October 1 that contains three years of campus crime and fire safety statistics and certain campus security policy statements

☑ Disclose crime statistics for the campus, public areas immediately adjacent to or contiguous with the campus, and certain non-campus facilities. The statistics must be gathered from campus police and local law enforcement and other college officials who have “significant responsibility for student and campus activities”

☑ Provide “timely warning” notices of those crimes that have occurred which pose an ongoing “threat to students and employees”

☑ Implement emergency notification procedures if there is an immediate threat to the health or safety of students or employees on campus

☑ Disclose in a public log “any crime that occurred on campus or within the patrol jurisdiction of the campus security department and is reported to the campus security department;”

The Campus Police prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on our JSCC web site (jssc.edu) in the Safety and Security Section. This report is prepared in cooperation with the local law enforcement agencies surrounding our main campus and alternate sites, the Office of Student Affairs. Each entity provides updated information on their educational efforts and programs to comply with the Act.

Campus crime, arrest and referral statistics include those reported to the JSCC Police, designated campus officials (including but not limited to directors, deans, department heads, advisors to students/student organizations, athletic coaches), and local law enforcement agencies. These statistics may also include crimes that have occurred in private residences or businesses and is not required by law.

Each year, notification will be made to all enrolled students that provides the web site to access this report. Faculty and staff receive similar notification via email. Copies of the report may also be obtained at the Environmental Health & Safety/Campus Police Office located in the Administration Building or by calling (731) 424-3520 EXT 50244.

CAMPUS SECURITY AUTHORITIES

Campus security authorities (CSA's) as defined by the U. S. Department of Education, have been selected by the President of the college. A CSA is an individual who has significant responsibility for student and campus activities. The function of a CSA is to report to the official or office designated by the institution to collect crime report information, such as the campus police department, those allegations of Clery Act crimes that he or she concludes were made in good faith with a reasonable basis for believing that the information is not simply rumor or hearsay. Under Clery, a crime is “reported” when it is brought to

the attention of a CSA or local law enforcement personnel by a victim, witness, other third party, or even the offender. A CSA should immediately report any information received relative to a crime to the campus police department.

Crimes under the Clery Act that should be reported are:

- ☑ Murder and non-negligent manslaughter
- ☑ Negligent manslaughter
- ☑ Forcible sex offenses
- ☑ Non-forcible sex offenses
- ☑ Robbery
- ☑ Aggravated assault
- ☑ Motor vehicle theft
- ☑ Arson
- ☑ All hate crimes involving bodily injury
- ☑ All liquor, drug or weapons law violations resulting in arrest

CSA's for each campus location are designated in table below:

Bobby Smith, Interim VP for Academic Affairs	(731) 425-2610
Horace Chase, VP of Financial and Administrative Affairs	(731) 425-9581
Darron Billings, Director of Environmental Health & Safety	(731) 424-3520 ext. 50244
Lisa Barker, Director of Humboldt Center	(731) 425-8835
Sandy Stanfill, Director of the Lexington Center	(731) 424-3520 ext. 50660
Meda Falls, Director of Savannah Center	(731)-925-5722

Campus Access and Security

During business hours, the College will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours access to all College facilities is by key, if issued, or by admittance via the Campus Police. In the case of periods of extended closing, the College will admit only those with prior written approval to all facilities.

Emergencies may necessitate changes or alterations to any posted schedules. Areas that are revealed as problematic have security surveys conducted of them. Administrators from the Dean's Office, Physical Plant, Residence Life, and other concerned areas review these results. These surveys examine security issues such as landscaping, locks, alarms, lighting, and communications.

Timely Warnings

In the event that a situation arises, either on or off-campus or on properties surrounding the campus that, in the judgment of the President, Administrator in Charge or the Director of Environmental Health & Safety, constitutes an ongoing or continuing threat, a campus wide "timely warning" will be issued. The most immediate dissemination of the warning will be issued via the campus Emergency Notification System. In the interest of the JSCC Campus Community, a text-message alert notification system (JSCC ALERT) and computer screen notification (Alertus) will be used to alert the campus community of a crisis or emergency situation. Also, an emergency notification speaker (ENS) system has been placed in each building on the Jackson campus to assist the Director of Environmental Health & Safety in the notification process.

In addition, Jackson State's JWEB as well as social networking sites such as Twitter and Facebook, among others, may be utilized to disseminate information. Anyone with information warranting a timely warning should report the circumstances to the campus security officer

(731-225-5952) or the Director of Environmental Health & Safety office(731-424-3520 ext. 50244)by phone or in person. If you are at our other campus locations, please call the numbers outlined in the above table or in person at their campus office.

Campus Law Enforcement Authority (For Institutions Whose Police Have Arrest Authority)

JSCC Campus Police have complete police authority to apprehend and arrest anyone involved in illegal acts on-campus and areas immediately adjacent to the campus. If minor offenses involving College rules and regulations are committed by a student, the campus police may also refer the individual to the disciplinary division of Student Affairs. Major offenses such as rape, murder, aggravated assault, robbery, and auto theft are reported to the local police and joint investigative efforts with investigators from JSCC and the city police are deployed to solve these serious felony crimes. The prosecution of all criminal offenses, both felony and misdemeanor, are conducted at either , General Sessions, or Federal Court of Madison County.

Campus Police personnel will work closely with local, state, and federal police agencies and have direct radio communication with the City Police Department on the city police radio network. The Campus Police Department will be a part of the Madison County 911 Emergency System.

JSCC Campus Police will work out agreement with the Jackson Police Department on the Department's jurisdiction boundaries in and around the Jackson State Campus.

Through coordination with local law enforcement agencies, any criminal activity engaged in by students at off-campus locations of student organizations, is monitored and recorded. This information is provided to the Dean of Students for any action or follow-up that may be required.

Memorandum of Understanding (MOU)

The JSCC Campus Police Department maintains a close working relationship with the Jackson Police Department (JPD). The JSCC PD will work with other law enforcement agencies in Jackson/ Madison County, including the Sheriff Department, Tennessee State Troopers. Meetings are held between the leaders of these agencies on both a formal and informal basis. The officers of JSCC PD and JPD communicate regularly on the scene of incidents that occur in and around the campus area. The JSCC Police work closely with the investigative staff at JPD when incidents arise that require joint investigative efforts, resources, crime related reports and exchanges of information, as deemed necessary. There is no written memorandum of understanding between JSCC PD and JPD.

Voluntary Confidential Reporting

If you are the victim of a crime and do not want to pursue action within the College System or the criminal justice system, you may still want to consider making a confidential report. With your permission, the EHS Director or a designee of JSCC Campus Police can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the college can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the institution.

Encouragement of Accurate and Prompt Crime Reporting

Community members, students, faculty, staff, and guests are encouraged to report all crimes and public safety related incidents to the Campus Police Department in a timely manner. This publication focuses on JSCC PD because it patrols the majority of the Jackson campus. To report a crime or an emergency on the Jackson campus, call JSCC PD at 731-217-5752.

Officers are available at this telephone numbers 24 hours a day to answer your call. In response to a call, JSCC PD will take the required action, dispatching an officer or asking the victim to report to UPD to file an incident report.

All JSCC PD incident reports involving students are forwarded to the Students Services office for review and potential action by that office. JSCC PD officers will investigate a report when it is deemed appropriate. Additional information obtained via the investigation will also be forwarded to the Office of Student Services.

If assistance is required from the Jackson Police Department or the Jackson Fire Department, JSCC PD will contact the appropriate unit. If a sexual assault or rape should occur, staff on the scene, including JSCC PD, will offer the victim a wide variety of services. JSCC has a Crisis Team that has trained members who are available to assist.

Crimes should be reported to the JSCC Police Department to ensure inclusion in the annual crime statistics and to aid in providing timely warning notices to the community, when appropriate.

Counselors and Confidential Crime Reporting

All reports will be investigated. JSCC does not have procedures for voluntary, confidential reporting of crime statistics. Violations of the law will be referred to law enforcement agencies and when appropriate, to the College Disciplinary Committee for review. When a potentially dangerous threat to the college community arises, timely reports or warnings will be issued through e-mail announcements, the posting of flyers at local campuses, in-class announcements, or other appropriate means.

Security Awareness Programs for Students and Employees

In addition to in-service, student orientations and seminars, information is disseminated to students and employees through crime prevention awareness packets, security alert posters, displays, videos, and articles and advertisements.

When time is of the essence, information is released to the university community through security alerts posted prominently throughout campus, through computer memos sent over the college's electronic mail system and a voice mail broadcasting system.

Campus Sex Crimes Prevention Act

In compliance with the federal Campus Sex Crimes Prevention Act and the Tennessee College and University Campus Sex Crimes Prevention Act of 2002, members of the campus community may obtain the most recent information received from the Tennessee Bureau of Investigation (TBI) concerning sex offenders employed, enrolled or volunteering at this institution through the JSCC Director of Environmental Health and Safety at 731-424-3520, ext. 50244. Information also is available on the TBI's web site listing of sex offenders located on the internet at <http://www.jsc.edu/sexual-offenders-registration>.

Preventing and Responding to Sex Offenses

If you are a victim of a sexual assault at this institution, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. The JSCC Police Department strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor

for evidence collection and preservation. An assault should be reported directly to a JSCC officer. Filing a police report with a University officer will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Filing a police report will:

- › ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- › provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam);
- › assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

When a sexual assault victim contacts the Police Department, the Jackson Police Department Sex Crimes Unit will be notified as well. A representative from the Office of Student Services will also be notified. The victim of a sexual assault may choose for the investigation to be pursued through the criminal justice system or not. A College representative from the JSCC Police Department or the Office of Student Services will guide the victim through the available options and support the victim in his or her decision. Counseling and support services outside the college system can be obtained through the Wo/mens Rape and Assistance Program.

Policy on Drug-Free Campus

This statement is being distributed to all Jackson State employees, including faculty, and students in compliance with the provisions of the Drug Free Workplace Act of 1988 (41 U.S.C. • 701, et. seq.) and the Drug Free Schools and Communities Act Amendments of 1989 (20 U.S.C. • 3171, et. seq.).

Policy

It is the policy of Jackson State that the unlawful manufacture, distribution, possession, use or abuse of alcohol and illicit drugs on the Jackson State campus, on property owned or controlled by Jackson State, or as part of any activity of Jackson State is strictly prohibited. All employees and students are subject to applicable federal, state and local laws related to this matter. Additionally, any violation of this policy will result in disciplinary actions as set forth in the JSCC Student Handbook.

Legal Sanctions

Various federal, state and local statutes make it unlawful to manufacture, distribute, dispense, deliver, sell or possess with intent to manufacture, distribute, dispense, deliver or sell, controlled substances. The penalty imposed depends upon many factors which include the type and amount of controlled substance involved, the number of prior offenses, if any, whether death or serious bodily injury resulted

from the use of such substance, and whether any other crimes were committed in connection with the use of the controlled substance. Possible maximum penalties for a first-time violation include imprisonment for any period of time up to a term of life imprisonment, a fine of up to \$4,000,000, supervised release, any combination of the above, or all three. These sanctions are doubled when the offense involves either: 1) distribution or possession at or near a school or college campus, or 2) distribution to persons under 21 years of age. Repeat offenders may be punished to a greater extent as provided by statute. Further, a civil penalty of up to \$10,000 may be assessed for simple possession of “personal use amounts” of certain specified substances under federal law. Under state law, the offense of possession or casual exchange is punishable as a Class A misdemeanor; if there is an exchange between a minor and an adult at least two years the minor’s senior, and the adult knew that the person was a minor, the offense is classified a felony as provided in T.C.A. 39-17-417. (21 U.S.C. 801, et. seq.; T.C.A. 39-17-417).

It is unlawful for any person under the age of twenty-one (21) to buy, possess, transport (unless in the course of his employment), or consume alcoholic beverages, wine, or beer, such offenses being classified Class A misdemeanors punishable by imprisonment for not more than 11 months, 29 days, or a fine of not more than \$2,500, or both. (T.C.A. 1-3-113, 57-5-301). It is further an offense to provide alcoholic beverages to any person under the age of twenty-one (21), such offense being classified a Class A misdemeanor. (T.C.A. 39-15-404). The offense of public intoxication is a Class C misdemeanor punishable by imprisonment of not more than 30 days or a fine of not more than \$50, or both. (T.C.A. 39-17-310)

Sanctions

Jackson State will impose the appropriate sanction(s) on any student or employee who fails to comply with the terms of this policy.

- Possible disciplinary sanctions for failure to comply with the terms of this policy may include one or more of the following:
 - Expulsion
 - Suspension
 - Mandatory participation in, and satisfactory completion of a drug/ alcohol abuse program or rehabilitation program
 - Referral for prosecution

- As a condition of employment, each employee, including student employees, must abide by the terms of this policy, and must notify his/her department head/supervisor of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction. A conviction includes a finding of guilt, a plea of nolo contendere, or imposition of a sentence by any state

or federal judicial body. Possible disciplinary sanctions for failure to comply with this policy, including failure to notify of conviction, may include one or more of the following:

- Termination

- Probation

Health Risks Associated with the Use of Illicit Drugs and the Abuse of Alcohol

There are many health risks associated with the use of illicit drugs and the abuse of alcohol including organ damage; impairment of brain activity, digestion, and blood circulation; impairment of physiological processes and mental functioning; and physical and psychological dependence. Such use during pregnancy may cause spontaneous abortion, various birth defects or fetal alcohol syndrome. Additionally, the illicit use of drugs increases the risk of contracting hepatitis, AIDS, and other infections. If used excessively, the use of alcohol or drugs singly or in certain combinations may cause death.

Available Drug and Alcohol Counseling, Treatment, Rehabilitation Programs

Students who wish to contact drug and alcohol counseling, treatment and rehabilitation programs may obtain information on such programs from the college's Counseling office at 425-2616. Following is a list of some area alcohol and drug treatment centers. Jackson State does not endorse any treatment providers, nor does the college provide financial support for students' treatment programs.
