

OCCUPATIONAL THERAPY ASSISTANT STUDENT RESUME

On a separate piece of paper please provide the following information.

The resume is a required part of	vour OTA Program application.
----------------------------------	-------------------------------

•	Education: Please identify schools attended, years of attendance and (if college) degrees awarded.
•	Work Experience: Please list your places of employment, starting with the most recent job and going back. Identify your job title, your job duties and how long you worked there.

Volunteer Experience: Please identify any volunteer work that you have done, especially any
experience in which you worked with or observed an Occupational Therapist or Occupational
Therapy Assistant. Please provide the name of organization you worked with, where they are
located, a contact person's name and approximately how many hours of volunteer work you
completed with that organization.
