Chairperson’s Message
As I complete my first year as Chair of the Jackson State Community College Foundation, I reflect on all the accomplishments we have achieved.

The JSCC Foundation has successfully increased the fund balance by 13% to a new total of $2.7 million. The Foundation has added one new endowment – The Julie Kay DeVersa Endowed Scholarship, five new scholarship accounts to assist ISCC students, and six new academic program accounts to assist students, faculty and staff.

The Jackson State Community College Foundation takes pride in past accomplishments, but these only serve to guide us into the future.

I invite you to review the Foundation’s annual report and trace the stepping stones created during the 2007 – 2008 academic year.

Thank you for your support of the JSF Foundation.
