Chairperson’s Message

Dear Friends,

Education is the key to the future success of our community, and what better place to use the key to unlock the potential successes of our community than Jackson State Community College. It’s where you begin!

It has been my pleasure to serve you as Chair of the Jackson State Community College Foundation Board of Trustees. The members of the Board have worked diligently to achieve the goals and objectives of the Foundation, and I thank each and every one of them for their commitments of time, talents, and personal resources.

As a community of students, faculty, staff, and administration, Jackson State Community College has demonstrated time and again how people from different backgrounds can come together to improve the quality of life for the community as a whole. The College continues to grow the size of its student population and expand its offerings in the communities it serves.

As more students are enrolled and more educational opportunities are offered, it becomes even more important for the Foundation to raise and distribute financial assistance for those in need. In this regard, we are most appreciative of those who have given to the Foundation over the past year and in previous years. Your generous contributions have benefited numerous students who otherwise may have not been able to afford the cost of the education that will most surely contribute to the future successes of our community.

Thank you,
Richard Ayers, Chairperson
Jackson State Community College Foundation

Vision Statement

The vision of the Jackson State Community College Foundation is to support Jackson State Community College in its quest for excellence.

Mission Statement

The mission of the Jackson State Community College Foundation is to raise funds, develop friendships, and provide futures.
