If you are accepted as a student, there are certain performance tests you will be required to take during your academic career. It is a requirement of admission that you agree to take any tests deemed necessary by JSCC. In those instances where tests are administered by an external entity, you hereby agree that the results of such tests be released to the institution. If you are under 21 years of age and are required by institutional policy to complete the COMPASS test, your scores on these tests and course placement may be reported to your high school for research purposes. Any test scores will be treated confidentially as required by law.

I understand it is my responsibility to obtain official transcripts from each previously attended institution to support my application for admission. JSCC accepts no formal responsibility for delivery of transcripts by other schools.

Further, if I am admitted to Jackson State, I agree to abide by the rules and regulations of the college.

I understand that withholding information requested on this application or giving false information may make me ineligible for admission to the college or subject to dismissal. With this in mind, I certify that the statements in this application are correct and complete.
