

Jackson State Community College
Physical Therapist Assistant Program
Application Check-list

This form should be completed and attached to your program application when submitted. **All application materials must be received or postmarked by May 15.**

- **Have you fulfilled the admission requirements for Jackson State Community College?**
 - _____ Completed JSCC application or reapplication form.
 - _____ Provided OFFICIAL transcripts to JSCC Admissions office.
 - _____ Have taken academic assessment/placement test (COMPASS) or ACT if applicable (see Admissions office for this information).

- **Have you fulfilled the application requirements for the PTA Program?**
 - _____ Completed and submitted PTA Program application (application is available in the Allied Health Office or at www.jsc.edu).
 - _____ Submitted copy(s) of high school and all college transcripts to the Allied Health Office along with the PTA Program application.
 - _____ Completed all appropriate pre-requisite classes if applicable.
 - Basic and developmental courses must be completed prior to the May 15 application deadline.
 - Note:
 - Preference is given to students who have completed BIOL 2010, BIOL 2020, and PSCI 1010 prior to making application.
 - Preference is given to students who have additional college science coursework and Medical Terminology.
 - _____ Provided clinical observation form(s) (also available in the Allied Health Office or at www.jsc.edu) to physical therapy supervisors.
 - Note:
 - 24 hours of observation in at least two physical therapy setting is required. It is recommended that applicants arrange their observation well in advance of the application deadline because of facility limitations.
 - The supervising physical therapist or physical therapist assistant should mail the completed observation form(s) directly to the PTA Program at JSCC. Copies should be attached to the application.
