

MLA Citation Guide

This guide contains citation examples for frequently cited source types. Examples are adapted from the MLA Handbook for Writers of Research Papers. Refer to the handbook to view additional examples, find explanations of in-text documentation, and study other characteristics of MLA style. A copy is on reserve at the Circulation Desk and another is in the Reference Area (**Ref. LB 2369 .G53 2003**).

This guide is **not** a substitute for reading and understanding the MLA Handbook. You can also find the guide online in *Research & Writing Help* on the JSCC Library webpage (<http://library.jsc.edu>).
